**RE: DuPont Chambers Works Facility
Literature Search of Perfluorinated Chemicals
Pennsville Township, Salem County**

Dear Mr. Faranca:

Attached please find a literature search of the perfluorinated compounds completed by DuPont. This submittal is made in response to your request of March 20 and referenced in my letter of April 11. As indicated in my April 11th letter, DuPont has conducted a literature search of public databases for the perfluorinated compounds you requested. The manufacturers that made and sold these compounds developed much of this information. Appendix A is the complete alphabetized reference list. Appendix B contains the abstracts grouped by perfluorinated compound.

If you have any questions, please call me at 302-892-0647.

Very truly yours,

Albert J. Boettler
Senior Environmental Consultant
Dupont Corporate Remediation - NJ
